

Apartment with sea views

OLD TOWN CENTER, JÁVEA/XÀBIA - REF. A-363

MORAGUESPONS
MEDITERRANEAN HOUSES

Just beyond the threshold of this house, I am drawn to the light that shines at the end of the corridor. I follow that glare and I find a spectacular picture, while I sit in a chair on the terrace, as hypnotized. I see the whole bay. It is a perfect picture that the next owner of this beautiful apartment will be able to enjoy day after day. Quite a privilege.

And if we add to this scenario the comfort of being between the port and the town of Jávea, within walking distance of both, I think little more can be asked. And yet there is much more to add to this property. Come and find out.

To keep in mind: The storeroom is in the upper floor of the building and has window to the outside.
