

For sale townhouse in the port centre with stunning sea views
PORT, JÁVEA/XÀBIA - REF. V-347

It is difficult to live in Jávea and not see the sea every day, but living in this townhouse is another level. It is an immersion in the Mediterranean, which accompanies you as you walk around the house. It is enjoying that intense blue from the living room or the bedrooms and, above all, from the terrace, which is equipped with a kitchen and fridge so that you don't have to move from there to get a cold beer or something to nibble. You feel surrounded and breathe in the sea air, smell the salt, hear the sound of seagulls and taste the salty flavour on your palate. Total immersion.

Please note: there is pre-installation for a kitchen on the ground floor, which has direct access to the swimming pool, so you can make an indoor summer kitchen.

You will love it for: its luminosity and its spectacular views, as well as its central location in the port of Jávea.
