The parking area for two cars is located in the upper part of the property. From there we can access the interior of the house by means of a lift or if you prefer by stairs. On the first floor or night floor, we have a pleasant hall and interior patio which connects the whole house. We also have three bedrooms with their three en-suite bathrooms and their wardrobes. Using the lift or staircase, we go down to the main floor or day floor, which has a large kitchen with its hidden sub-kitchen and the incredible open space formed by the dining room and the living room next to the patio and the reading room or office. This floor also has a 23 square metre bedroom plus a 13 square metre bathroom and a 10 square metre dressing room.

The day floor is connected and forms part of this, the pool area and terrace with barbecue. An outdoor area with a large terrace and chill out areas where you can enjoy the surroundings and the atmosphere.

The gym, which has a changing room, is located in the basement, has a glass window which shows the bottom of the pool.
