

Villa with sea views and large plot in Jávea

CUESTA SAN ANTONIO - PUCHOL, JÁVEA/XÀBIA - REF. V-355

Beautiful villa near the town of Javea, very well communicated and facing the bay of Javea. Villa with three floors, the upper floor is where the master bedroom suite is located, with its own bathroom, dressing room and office.

On the second floor is the generously sized kitchen, guest cloakroom, hallway and then a very generous dining room and lounge leading to a naya with views of the sea and the town. Exit to another terrace next to the kitchen where you can enjoy the barbecue and the wood oven. On the lower floor there are three more bedrooms with shared bathrooms and a small living room with access to the lower covered terrace and the garden, where the 10m x 5m swimming pool is located with access stairs. A lovely terrace to enjoy the sun while swimming. Then we have below this terrace and pool a small space used as a single room and separated from the rest of the house, with a small living room.

There is also a garage on the ground floor with space for several cars. Accessed through a beautiful wooden gate.

In the corner of the plot there is more than 1000 square meters of own forest and a parking area for several cars and direct access to the house and pool.
